

Wezapps Limited is looking for a few React Developers to join our team. Your primary focus will be making responsive design and developing user friendly UI with the help of dedicated backend developers and RESTful api. You will have the opportunity of working within a team of backend developers, frontend developers, project manager, system engineers and DevSecOps.

Job Nature: Full Time, Physical Office

Working Hour: 10:00 AM to 6:00 PM

Working days: Sunday to Thursday (5 days a week)

Responsibilities:

- Previous experience working as a React.js Developer.
- Proficient understanding of HTML5, CSS, Bootstrap, JavaScript, Typescript and JSON
- Strong proficiency in JavaScript, including DOM manipulation and the JavaScript object model - Thorough understanding of React.js and its core principles
- Knowledge of REACT tools including React.js, Webpack, and Redux
- Experience with browser-based debugging and performance testing software.
- Familiarity with RESTful APIs
- Experience with the Git version control system.
- Working as a team member under Project Manager

Educational Requirement:

Bachelor's degree in CSE or related disciplines from any reputed university is desirable but not essential. We would focus on your understanding and wiliness to learn about current technologies rather than the result showing on your transcript.

Experience Requirement:

- 2+ years experience.

Salary Range:

- Starts from 20k BDT/ Month (Based on your experience it will be higher)
- 6 Months provision period

Application Deadline: March 10, 2021

Other Benefits:

- Unlimited Tea & Coffee facilities
- Salary Review: Yearly
- Two festival bonuses
- Excellent growth and learning opportunities

Application Procedure:

- Send your CV and your portfolio (if you have any) at career@wezapps.com
